

No information is available on the vertebrate fauna of the following reserves:-

1. ADELAIDE NATURE CONSERVATION STATION
2. CYCAD NATURE RESERVE
3. AMALINDA WARM WATERS FISHERIES STATION
4. KAROO NATURE RESERVE

## ADDENDUM

The following are additional mammal records. Prof. J. Meester is thanked for identifying material.

## GOUKAMMA NATURE RESERVE

1. Eptesicus melckorum
2. Crocidura cyanea (infumata?)
3. Suncus varilla
4. Praomys verreauxi - natalensis should be deleted and replaced by verreauxi for this reserve.

## VROLIJKHEID NATURE CONSERVATION STATION

1. Myosorex varius. The bulk of the shrew material appears to be this species and not Crocidura cyanea. Crocidura cyanea is however present.

REFERENCE - left out of report.

TOES, E. 1972. Tellingien and kleinie zoogdieren en vogels in de Jonkershoek Vallei, Zuid-Afrika.  
L.H. Wageningen, No. 171 - R.I.N. Leersum, 1974.

Goukamma fish material identified by the J.L.B. Smith Institute, Grahamstown.

## ADDENDUM II RESERVE FAUNA

## MAMMALS

- Chlorotalpha duthiae  
(Skin + skull)
- Rondevlei (The Lakes Nature Conservation Station)
  - Goukamma Nature Reserve (partial skull)
  - Keurbooms - 1 km outside the reserve (skull)

## BIRDS

- Tyto capensis
- Road casualty - collected just outside the Goukamma Reserve
- Serinus totta
- The Lakes Nature Conservation Station

## REPTILES

- Lamprophis inornatus
- The Lakes Nature Conservation Station

ADDENDUM

The following are additional mammal records. Prof. J. Meester is thanked for identifying material.

GOUKAMMA NATURE RESERVE

1. Eptesicus melckorum
2. Crocidura cyanea (infumata?)
3. Suncus varilla
4. Praomys verreauxi - natalensis should be deleted and replaced by verreauxi for this reserve.

VROLIJFHEID NATURE CONSERVATION STATION

1. Myosorex varius. The bulk of the shrew material appears to be this species and not Crocidura cyanea. Crocidura cyanea is however present.

Reference - left out of report

TOES, E. 1972. Tellingen van kleine zoogdieren en vogels in de Jonkershoek Vallei, Zuid-Afrika.

L.H. Wageningen, No. 171 - R.I.N. Leersum, 1974.

Goukamma fish material identified by the J.L.B. Smith Institute, Grahamstown.

ADDENDUM II RESERVE FAUNA

MAMMALS

- Chlorotalpha duthiae - Rondevlei (The Lakes Nature Conservation  
(Skin + skull) Station)
- Goukamma Nature Reserve (partial skull)
- Keurbooms - 1 km outside the reserve  
(skull)

BIRDS

- Tyto capensis - Road casualty - collected just outside the  
Goukamma Reserve
- Serinus totta - The Lakes Nature Conservation Station

REPTILES

- Lamprophis inornatus - The Lakes Nature Conservation Station
